

Durango Arts Center's After-School Arts
Scholarship Request Application 2010

The Durango Arts Center's After-School Arts Program offers some scholarships to students as a result of funds granted to the program through the *Durango Friends of the Arts* organization. To be considered for a scholarship, the family or guardian of the student must qualify for free or assisted lunch through the 9R school district or petition for assistance due to other financial need or circumstance.

Attendance is mandatory unless the child is ill, in which case, the Durango Arts Center's education director should be notified as soon as possible at **259-2606 or email to caitlin@durangoarts.org**.

Once the information provided has been received and verified, you will be notified and your child may register for our arts classes throughout the rest of the school year. **Scholarship students are not guaranteed placement in the classes.** You must register by sending in your class registration form each month and if space is available your registration will be accepted.
