# Images of Sample Work

- Applicants will need to include images of sample work as part of the application.
  - The images must be .jpg files and submitted on CD labeled with your name (the CD will not be returned).
  - The image files need to be numbered from 1, 2, 3, 4, etc.
  - There is no requirement for the maximum number of images an applicant may submit.
  - Visiting artists must submit images that show the type of work that they do in order to show the processes and media they would be sharing with students.
  - Applicants may also submit samples of student artwork from lessons that they have done in the past, although this is not a requirement.
  - Applicants may also submit any other visual images that show what they will be doing with students or what they are expecting students to produce.
- 
- Please list each image number below and include a short description of what the image is and/or why you included it.

*Example:*

*#1- This image is called "Time Lapse". It was an oil painting I completed in 2011. It shows the type of painting techniques I would demonstrate and teach to students.*
