

## March 2010 After-School Arts at Sunnyside Elementary

### Monday, March 1st. Snow Caterpillar

If there's still some snow around this day, we'll take art class outdoors to create a *snow-er-pillar*! Instead of piling snowballs on top of each other, we'll lay them side by side to construct a fun oversized creature. We'll make it come to life with a Technicolor, tie dye extravaganza with paint made from food coloring for all to enjoy.

### Monday, March 15th. Enter the Twilight Zone

Learn about the history of expressionism and paint your *out of this world* self-portrait using techniques and expressive colors inspired by the expressionist painters.

### Monday, March 22nd. Bottle Caps and Ties

Hey Kids! gather up your dad's old ties and bottle caps around your house. Bring them to this class and we will use them to make fun take home gifts, toys and jewelry for your mom, dad or special friend. They'll love the surprise.

### Monday, March 29th. Jazz Collage

Let music and the work of famous artist, Matisse, inspire you to create a collage portrait of yourself or a classmate from a variety of art materials and media.
